

By Day: Your Love...
By Night: Your Song

by Rabbi Shefa Gold

יוֹמָם יִצְוֶה יְהוָה חַסְדּוֹ וּבַלַּיְלָה שִׁירָה עִמִּי

Yomam y'tzaveh Adonai chasdo, u'va'la'ila shirah imi (Psalm 42:9)

By day: Your Love ... By Night: Your Song

By day God commands his love
and by night her song is with me.

In the light of day and all that we do, God's love is called forth through us and through all of Creation. Then at night, the Divine song reverberates in the stillness, surrounding us and holding us in a tender embrace. This practice is a chant of remembrance and celebration of that Presence who supports us through every trial and accompanies us on every journey.
