

Divine Rejoicing

by Rabbi Shefa Gold

יְהִי כְבוֹד יְהוָה לְעוֹלָם יִשְׂמַח יְהוָה בְּמַעֲשָׁיו

Y'hi ch'vod Shechina l'olam, yismach yah b'ma'asav (Psalm 104:31)

May the presence ever shine; may God rejoice in His Creation.

With this practice, I affirm the God's Presence that is continually and eternally shining out from the center of every molecule. That radiance is the Divine Rejoicing in itself.
