

Life and Death

by Rabbi Shefa Gold

כִּי אַתָּה מְחַיֶּה הַמֵּתִים וּמְמִית חַיִּים

Kí Atah m'chayay hamaytim, umaymit chayyim

For You revive the dead and bring death to the living.

Standing in the presence of the mystery of Life and Death, I am both lifted up and humbled. I address myself to that Mystery, open my heart and stand between Life and Death. I honor the journey beyond this known world into the world-to-come, the Beyond that awaits us all.
