

Nature's Celebration

by Rabbi Shefa Gold

נְהָרוֹת יִמְחָאוּ - כָּף יַחַד הָרִים יִרְנְנוּ

N'harot yimcha-oo chaf, yachad harim y'ranaynu (Psalm 98:8)
Rivers will clap hands, mountains will sing for joy together.

When we can attune ourselves to the celebration of Creation that is happening right now, then we can find our place in that celebration and be inspired to add our unique voices to the chorus of praise.
