

Under the Wings by Rabbi Shefa Gold

ואני מצאתי מנוחה מתחת כנפי השכינה

Va'aní matzati menucha mitachat kanfay HaSh'china
Under the Wings of Shechina I have found my rest.

I wrote this chant in honor of Sukkot. I imagine sitting in my Sukkah under a delicate roof of branches that give me a glimpse of the vast deep blue sky. The Divine Presence also protects me, yet allows me to see through her wings and connect with The Beyond.
