

A Steadfast Heart

נִכּוֹן לִבִּי אֱלֹהִים אֲשִׁירָה וְאֶזְמְרָה אֶף־כְּבוֹדִי

My Heart is steadfast, Oh God;
I will sing and chant even with my soul. (Psalm 108:2)

When my heart becomes steady, firm in its commitment, resolute in its love, unwavering in its loyalty to the Unity of Being... then the music of my soul can soar. When my song is anchored in the steadfast heart, each note expresses and magnifies my love. The energy of the heart unlocks the fullness of my soul's glory.
