

# ECSTATIC MEDITATION RETREAT

A week of Hebrew Chant and Deep Silence  
with Rabbi Shefa Gold • June 4 - 10, 2018  
at the Fitzgerald Center in beautiful  
Jemez Springs, New Mexico

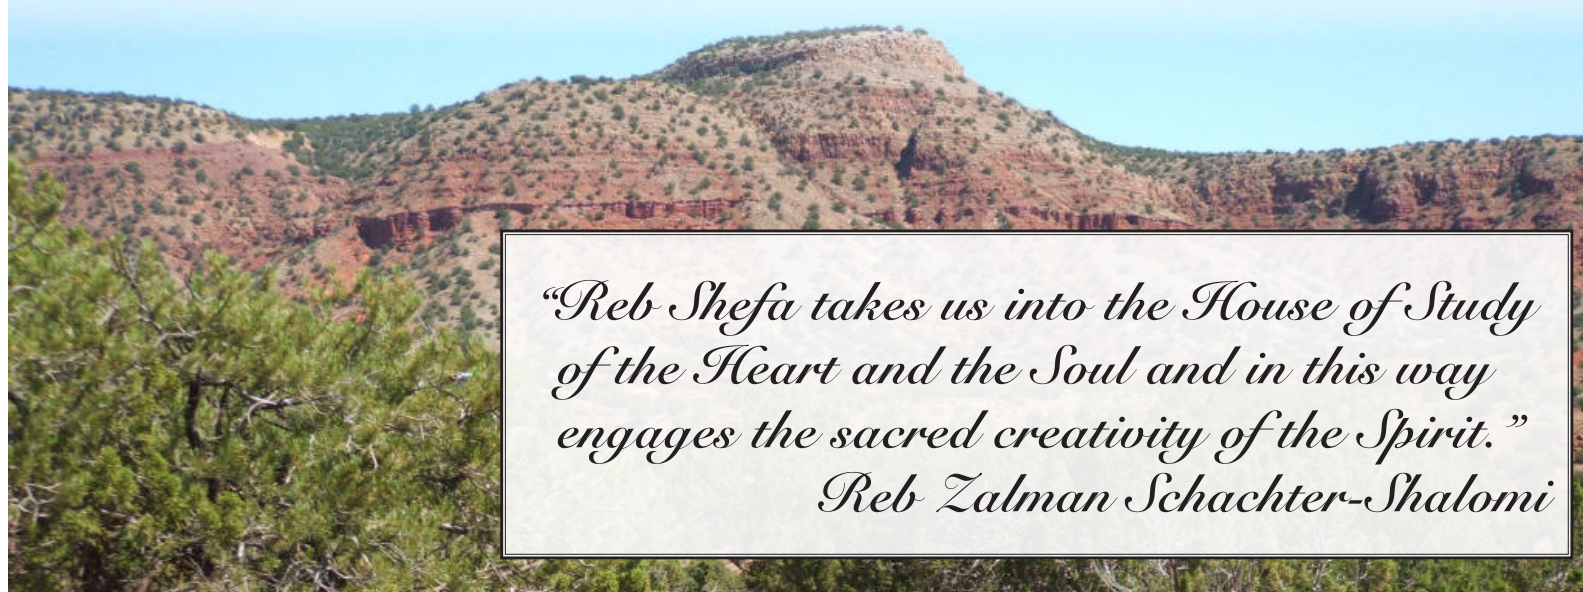

*“The essence of faith is an awareness of the vastness of Infinity.”*  
– Rabbi Abraham Isaac Kook

The Jewish practice of Devekut inspires us to open to the vastness of the Infinite, while releasing the content of thought, moment to moment. During this week of chant and silence we will connect to the Divine through the Earth, Water, Fire and Air in the glorious setting of the Jemez Mountains.

The retreat will take place at the Fitzgerald Center in beautiful Jemez Springs, New Mexico. Easily accessible from both Albuquerque and Santa Fe. All participants will enjoy private accommodations.
