

## Mi Zot Olah

מִי זֹאת עֹלָה מִן־הַמִּדְבָּר

*Mi zot olah min-hamidbar?*

Who is that rising from the wilderness? (Song of Songs 3:6)

I open to the Mystery that rises up out of the wilderness, responding to the call of the unknown. Who is this? She is the *Shechina*, the Divine presence who was hidden and is now making herself known, rising into my awareness. Who is this? She is my soul rising like fragrant incense towards the heavenly expanse, offering herself up to the Oneness.
