

The Place

הִנֵּה מָקוֹם אֵתִי

Hinay Makom iti (Exodus 33:21)

Right Here! There is a Place with Me.

When Moses asks to see God's Glory, God answers with these words, directing Moses to a Place from which to see and know the Divine Presence. That place is here. In fact the word *Makom* (place) became a name of God. I hear God saying, "stand still upon the rock, the foundation of existence, and you will know Me. For that Place is with Me; I am there with you in the place of your stillness, your longing, your love."
