

The Holy Longing

צְמָאָה לְךָ נַפְשִׁי

כָּמָה לְךָ בָּשָׂרִי

Tzama l'cha nafshi, Kama l'cha v'sari

My Soul thirsts for You,
My flesh longs for You. (Psalm 63:2)

Our spiritual energy depends on cultivating a longing for the Divine. Through the power of this longing we free ourselves from the limitations of “small self”, open to the vastness of Being, and begin to treasure those precious glimpses of the Whole.

This chant is a two-part round designed to build the power of that Holy Longing.
